**TUESDAY,

7:00PM ET**

Muslims Making Change: National Honors is a virtual event to celebrate 17 years of legal and policy wins defending civil rights and to honor the visionaries charting a better future for the nation and American Muslims in 2022 and beyond.

American Muslims are leading at an unprecedented moment in our nation's history.

At Muslim Advocates, we want to continue providing American Muslim communities the opportunity to celebrate the vision and tenacity of Muslim and allied policymakers, organizers, civil rights advocates, civic and community leaders and artists.

Today, when many of our political leaders are stoking the flames of hate and bigotry, **Muslims Making Change: National Honors** will not only allow Muslim Advocates to continue to fight on the front lines to protect our freedoms, but it will also send a clear message of solidarity and support to communities under assault.

Muslim Advocates will honor nominees nationwide in four categories:

- **Lifetime Achievement:** An American Muslim leader who has dedicated their life's work to advancing civil rights and winning justice.
- **Economic Justice:** An American Muslim who has fought for economic inclusion and equity against racial, class and religious marginalization.
- **Trailblazer:** An emerging American Muslim leader who is taking on bigotry and is charting a path forward towards justice.
- **Allyship:** An ally who has made change that supports American Muslims and advances the common struggle for justice.
